

ROOTED INDEX

When you are proud of your work and your organization, have close friendships with others, and are dedicated to your job, you have roots planted deep in your workplace and are likely to stay longer.

Identity

Is feeling like part of a winning team.

Camaraderie

Means treating coworkers like family. If you think this way, you'll make every relationship better.

Work Commitment

Is your level of dedication to the company, your team and your job.

3 Simple Tips

- 1 Always be courteous when dealing with others.
- 2 Speak well of your organization and your team.
- 3 Try to offer ideas and solutions to your team's problems.

“Give the ones you love wings to fly, roots to come back and reasons to stay.”
